#### **DEDICATION**

The class of 1978 would like to express their appreciation by dedicating this yearbook to Mr. Harold Bush.

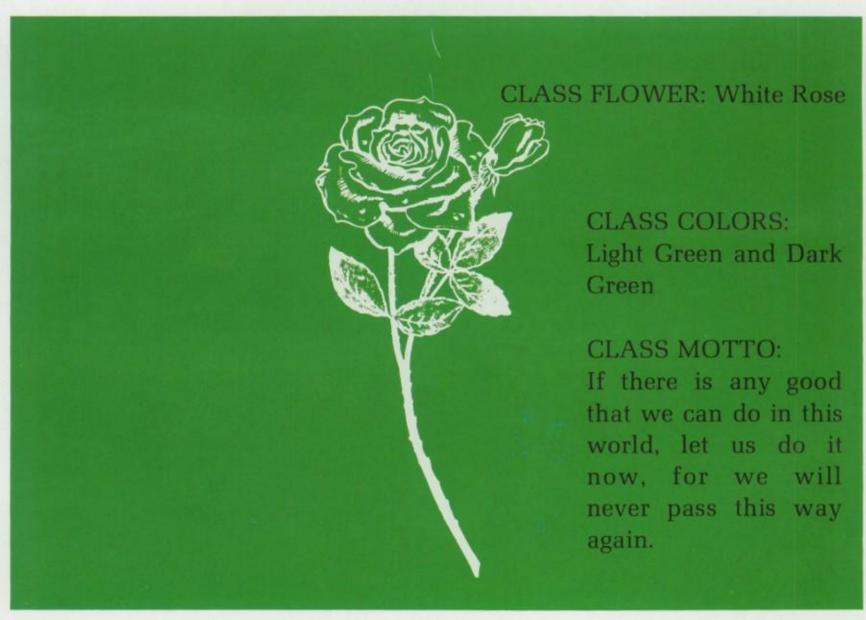

After graduating from high school, Mr. Bush continued his education by attending Indiana State Teachers' College and receiving his Bachelors of Science degree. He then went to serve four years in the U.S. Navy before earning his Masters degree at the University of Pittsburgh. Mr. Bush joined the Berlin faculty and has now completed 33½ years of instruction. During those years, along with being an outstanding community worker, he has served as senior class advisor, local and regional FBLA advisor, as well as Maple Priness advisor. Mr. Bush has also directed many class plays beginning with "Change of Hearts" in 1953. He has devoted many hours to publishing programs for many school activities.

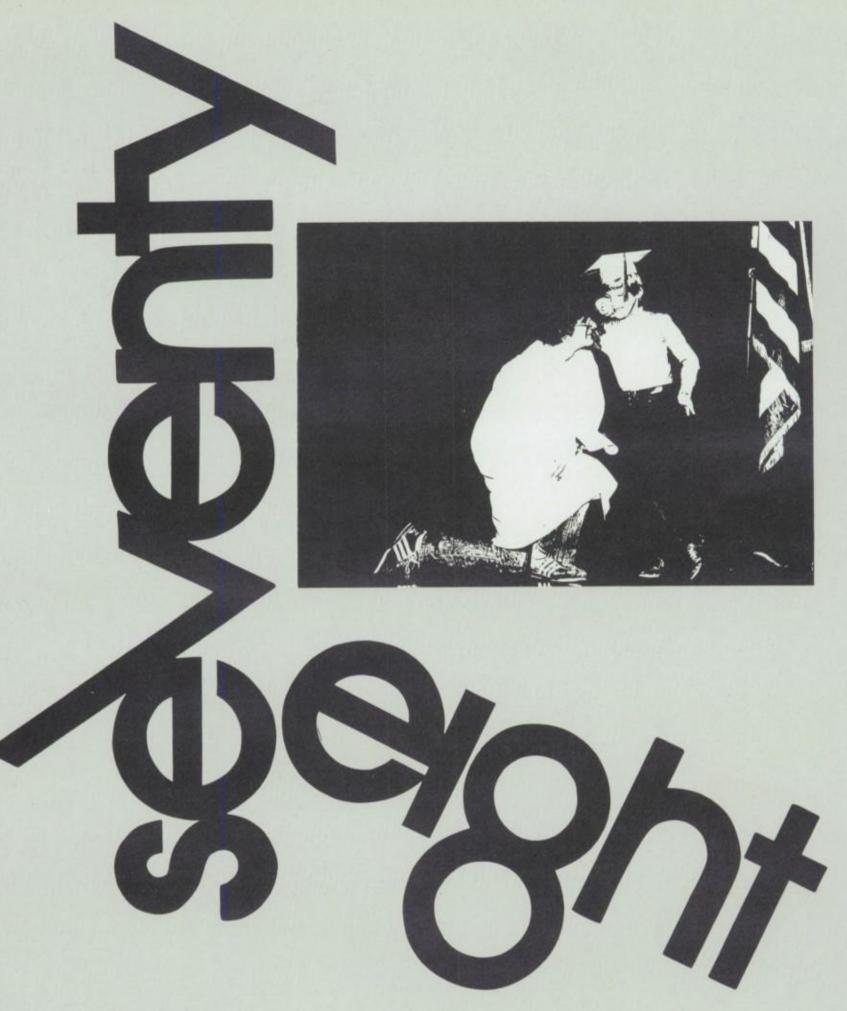

Outside of school he is an active member of the Elks and American Legion and also contributes much time to St. Gregory's Church.

Since his work, cooperation, and unselfish giving of his time has made many school activities possible, the class of 78 extends their appreciation.

Officers: President - Chuck Sigler, Vice President - Rob Cugini, Secretary - Deann Hillegass, Treasurer - Cindy Burk

BERVALON IN ACTION???

The Bervalon, the school yearbook, is published by members of the senior class who have selected the class as an elective. The editors and assistant editors are selected by the class members. The responsibilities of the staff include: scheduling all pictures, designing the lay-out of the book, writing copy, and preparing all materials for publication. The book is financed through yearbook sales and ads which are solicited by the entire staff. The staff is then divided into sections which prepare the six divisions of the book: seniors. faculty and administration, underclassemn, activities, sports, and highlights. The business staff is responsible for maintaining accurate records of all finances which are received. The Bervalon is delivered in August, so that the entire school year may be presented.

F.B.L.A. has had many activities this year.

We have participated in both Fall and Spring Regional, worked the concession stands at both football and basketball games, sold mountaineer license plates, and served at banquets.

This year we had two community projects — — in December the club went caroling at the County Home, and in April a bake sale was held to raise money for the Miller Memorial Center.

At the end of April, nine members of the club spent three days at Host Farm Resort, Lancaster, PA, competing in state contests. In May we enjoyed a day of fun and relaxation at Kennywood Park.

On November 10th and 11th, 1977, the Senior Class presented the play, "Our Girls." The play was about the Lovejoys who had named their sons "Jessie", "Francis", and "Vivian", because their Aunt Jessie didn't like boys. Aunt Jessie lived in England, so it had been easy to deceive her. She must never know that the "girls", who were to inherit her money, were boys. Each would receive \$5000 on his 16th birthday, and more when he came of age. Vivian was nearly 16, and Father planned to borrow part of the money to expand his business. Then the blow fell!!! Aunt Jessie decided to pay a visit and bestow on her eldest niece the \$5000!!!

# OUR LAST DAYS TOGETHER

COMMENCEMENT

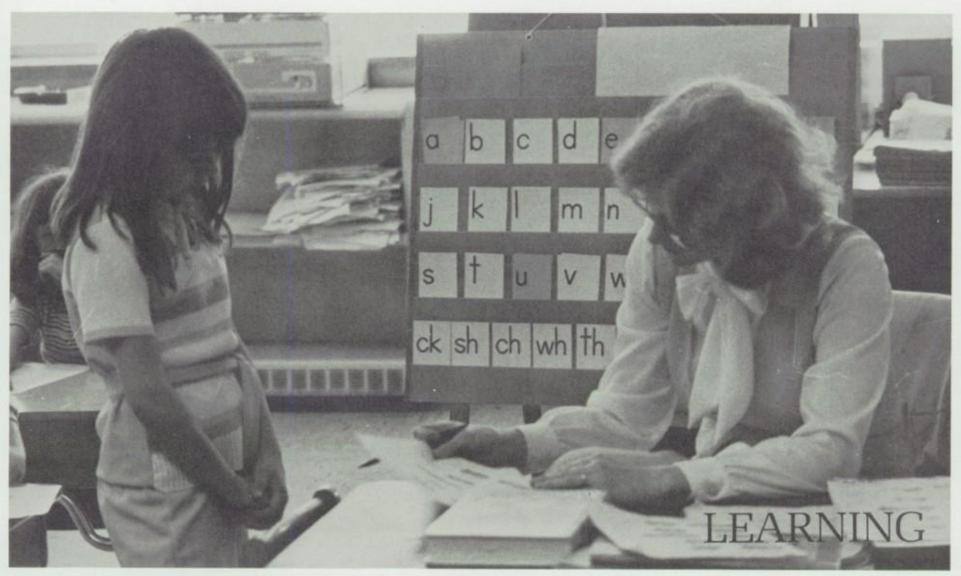

JUNE 7, 1978

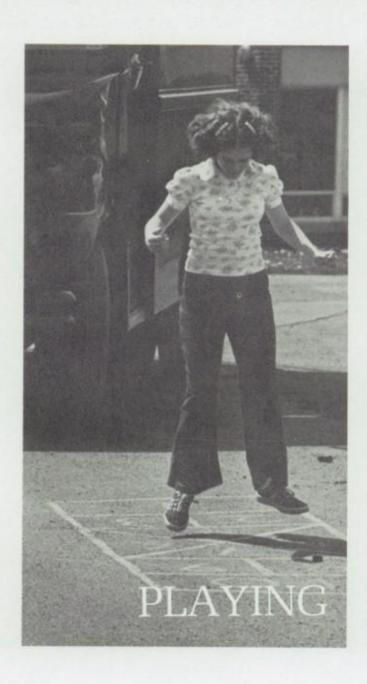

I see children as kites. You spend a lifetime trying to get them off the ground. You run with them until you're both breathless ... they crash ... they hit the rooftop ... you patch and comfort, adjust and teach. You watch them lifted by the wind and assure them that someday they'll fly. Finally they are airborne: they need more string and you keep letting it out. But with each twist of the ball of twine, there is a sadness that goes with joy. The kite becomes more distant, and you know it won't be long before that beautiful creature will snap the lifeline that binds you together and will soar as it is meant to soar, free and alone. Only then do you know that you did your job.

# MARY LOU GINDLESPERGER GAINS OUTSTANDING RECOGNITION

Mary Lou Gindlesperger, Class of 1977, has achieved unparalleled recognition in academic competition during her secondary school years.

Her junior high school accomplishments included the Berlin Lions Club Eighth Grade Math Award and the Pius Spring Woman's Club Ninth Grade English Award.

Mary Lou became a member of the Future Business Leaders of America in her sophomore year and achieved State and National recognition through competition in the following subject areas:

In tenth grade she placed first in the Regional and State Business Math contests.

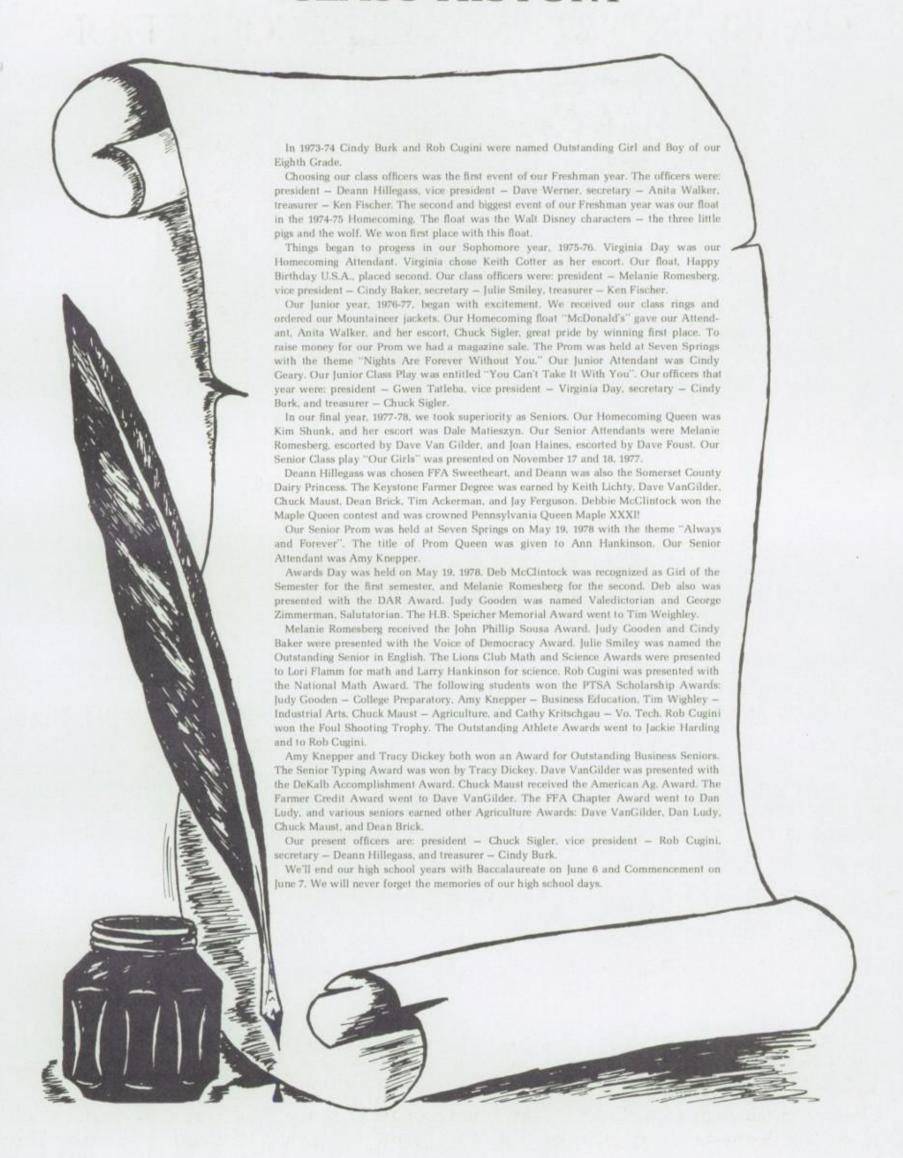

At the end of her junior year she competed in Bookkeeping I and placed first in the Region and first in the State in this contest area. She competed in the National contest in Washington, D.C., in June of that year.

As a senior she decided to compete in still another subject area — Office Procedures. Again she was first in Regional competition and first in State competition. She achieved National recognition at Denver, Colorado, in July of 1977, by winning for Pennsylvania the first place Office Procedures Award.

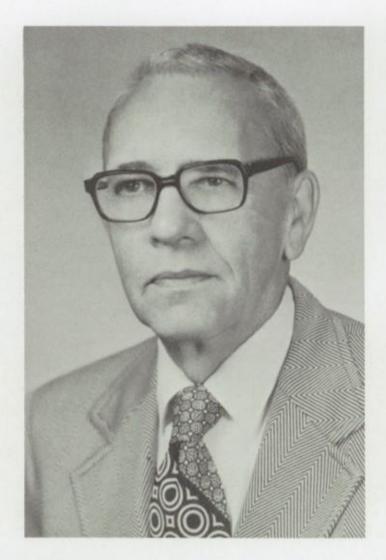

In addition to her outstanding FBLA accomplishments, Mary Lou received the following honors: In her sophomore year she received the Highest Scholastic Sophomore Award sponsored by the National Honor Society and the World Culture Award.

Climaxing her high school career, she was recognized as the Pius Spring Woman's Club Girl of the Semester and received the Outstanding Business Education Award. The culmination of all these achievements was her being named Valedictorian of the Class of 1977.

# **CLASS HISTORY**

# In Memory of S. Garner Pritz

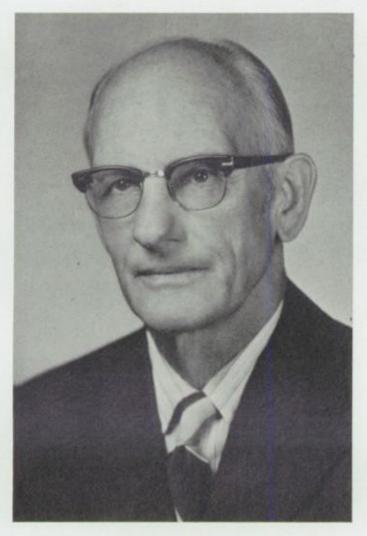

A builder builded a temple, He wrought it with grace and skill; Pillars and groins and arches, All fashioned wot work his will. Men said, as they saw its beauty, "It shall never know decay. Great is thy skill, O Builder; Thy fame shall endure for aye."

A teacher builded a temple with loving and infinite care, Planning each arch with patience, Laying each stone with prayer. None praised his unceasing efforts, None knew of his wonderous plan. For the temple the teacher builded, Was unseen by the eyes of man.

Gone is the builder's temple
Crumbled into the dust;
Now lies each stately pillar,
Food for consuming rust.
But the temple the teacher builded
Will last while the ages roll,
For that beautiful unseen temple
Is a child's mortal soul.
